PUBLIC NOTICE

DIRECTIVE TO ALL UNAUTHORISED FOREIGN EXCHANGE DEALERS TO REGULARISE THEIR OPERATIONS

The Bank of South Sudan (BoSS) hereby notifies all individuals and entities engaged in foreign exchange (FX) trading without valid licenses, including mobile and umbrella forex operators, informal forex bureaus and street-based foreign exchange dealers, to regularize their operations by applying for the appropriate licenses within THIRTY (30) DAYS from the date of this notice.

In recognition of the need to formalize the foreign exchange market and bring all operators within the regulated financial system, the Bank shall provide a special one-month licensing window during which simplified and exceptional licensing procedures will be applied to facilitate the registration and licensing of eligible operators.

All concerned operators are strongly encouraged to seize this opportunity and submit their applications within the stipulated period.

The Bank wishes to emphasize that this is a one-time compliance opportunity. Upon expiry of the thirty-day grace period, any individual or entity found conducting foreign exchange business without license shall be subject to enforcement measures in accordance with applicable laws and regulations.

These measures will be undertaken in collaboration with the relevant law enforcement agencies and may include closure of illegal operations and other appropriate legal actions.

The Bank of South Sudan (BoSS) remains committed to ensuring an orderly, transparent and well-regulated foreign exchange market. All operators are therefore urged to comply with this directive and take advantage of the exceptional licensing window.
